

UNIVERSITY OF PENNSYLVANIA - PERELMAN SCHOOL OF MEDICINE
Curriculum Vitae

Date: 05/29/2019

Christopher Rassekh, M.D., FACS

Address: Department of Otolaryngology-Head and Neck Surgery
University of Pennsylvania
Philadelphia, PA 19104 USA

If you are not a U.S. citizen or holder of a permanent visa, please indicate the type of visa you have:
none (U.S. citizen)

Education:

1982	BS	University of Iowa, Iowa City, IA (General Science)
1986	MD	University of Iowa College of Medicine, Iowa City, IA

Postgraduate Training and Fellowship Appointments:

1986-1987	Post-Doctoral Research Fellow in Otology Laboratory, University of Iowa Hospitals and Clinics
1987-1988	Internship in General Surgery, Butterworth Hospital, Michigan State University
1988-1992	Resident in Otolaryngology, University of Iowa Hospitals and Clinics
1992-1993	Fellow in Advanced Head & Neck Oncologic/Cranial Base Surgery, University of Pittsburgh

Military Service:

[none]

Faculty Appointments:

1993-1999	Assistant Professor, University of Texas Medical Branch, Department of Otolaryngology
1999-2010	Associate Professor, West Virginia University, Department of Otolaryngology
2011-2018	Associate Professor of Clinical Otorhinolaryngology: Head and Neck Surgery, University of Pennsylvania School of Medicine
2018-present	Professor of Clinical Otorhinolaryngology: Head and Neck Surgery, University of Pennsylvania School of Medicine

Hospital and/or Administrative Appointments:

1992-1993	Clinical Instructor, University of Pittsburgh
1994-1999	Chief, Head and Neck Division, University of Texas Medical Branch
1994-1999	Director, Advanced Head and Neck Fellowship Program For Oncologic Surgery, University of Texas Medical Branch

1999-2010	Director, Head and Neck Oncology, West Virginia University
2002-2010	Co-Director, Center for Cranial Base Surgery, West Virginia University
2014-present	Co-Chair, Airway Safety Committee, Hospital University of Pennsylvania

Other Appointments:

2013-present	Director of Sialendoscopy Program, Penn Medicine
--------------	--

Specialty Certification:

1993	Diplomate, American Board of Otolaryngology
1993	Diplomate, Joint Council for Approval of Advanced Training in Head and Neck Oncologic Surgery

Licensure:

1987-1992	Iowa
1992-1993	Pennsylvania
1993-1999	Texas
1999-2011	West Virginia
2011-present	Pennsylvania

Awards, Honors and Membership in Honorary Societies:

1979	National Honor Society
1979-1986	Honors Status, University of Iowa
1992-1993	American Cancer Society Clinical Oncology Fellowship Award
1999	Honor Award, American Academy of Otolaryngology-Head and Neck Surgery
2001	Annual Resident Teaching Award in Otolaryngology, West Virginia University
2003	Annual Resident Teaching Award in Otolaryngology, West Virginia University
2005-present	America's Top Doctors for Cancer and/or Otolaryngology, Newsweek and Castle Connolly, every year since 2005, during time at West Virginia and University of Pennsylvania
2007	Distinguished Service Award, AAO-HNSF
2009	Dean's Award for Excellence in Clinical Service
2009	Annual Resident Teaching Award in Otolaryngology, West Virginia University
2013	Top Abstract #6, North American Skull Base Society
2015	Joseph P. Akins Resident Teaching Award
2018	Triological Society (inducted as member, requiring thesis)
2018	Philadelphia Best Doctors

Memberships in Professional and Scientific Societies and Other Professional Activities:

International:

2016-present North American Skull Base Society (Value Based Health Care Committee)

National:

1982-1986 American Medical Student Association

1984-Present American Medical Association

1993-present American Academy of Otolaryngology-Head and Neck Surgery (Consultant-Program Advisory Committee (2009-2014), Core Education and Practice Management Committee (2007-2017), Chair-Home Study Course Faculty(2008-2010), Member-Home Study Course Faculty (2004-2007), Ethics Committee (1995-2000), Skull Base Surgery Committee (1999-2005))

1993-present American Board of Otolaryngology (Diplomate, Member- Task Force on New Materials (2001-2005))

1993-1999 Texas Medical Association

1994-Present North American Skull Base Society (Program Committee (2014-2015), Membership Committee (2012-2014), Board of Directors (2006-2011), Research Committee (2004-2006))

1994-2000 Society of University Otolaryngologists-Head and Neck Surgeons (Young Academicians Committee, 1995-1998)

1994-1996 Southern Medical Association

1994-1999 Southwest Oncology Group (Head and Neck Committee, 1994-1999 Co-Chair, Head & Neck Surgical Subcommittee, 1995-1999)

1996-Present American College of Surgeons (Fellow)

1996-1998 American Society for Head and Neck Surgery (Scientific Program Committee, 1996 (this organization merged with Society of Head and Neck Surgery in 1998, so became member of merged society (American Head and Neck Society) starting 1998-present)

1996-1999 Association for Research in Otolaryngology

1998-Present American Head and Neck Society (Education Committee (2014-Present), Constitution and Bylaws Committee (2013-Present))

1998-1999 Southern Medical Association

1998 Texas Association of Otolaryngology-Head and Neck Surgery

2000-2010	American Rhinologic Society
2000-2010	Eastern Cooperative Oncology Group (Member- Head and Neck Committee)
2003-2010	American College of Surgeons Oncology Group
2008-2015	Triological Society (The American Laryngological, Rhinological, and Otological Society), Candidate
2017	National Institutes of Health Study Section, Biotechnology, Technology and Surgical Sciences (BTSS) (Grant Reviewer for Proposals Involving Robotics in Otolaryngology)
2018-present	American Head and Neck Society (Member of Salivary Section Board of Directors)
2018-present	Triological Society (Thesis accepted for membership, will be inducted into Society at April meeting (currently candidate member))

Local:

1991-1993	Iowa Medical Society & Johnson County Medical Society
1993-1999	Galveston County Medical Society
1999-2010	West Virginia Academy of Otolaryngology-Head and Neck Surgery
2015-present	Pennsylvania Academy of Otolaryngology-Head and Neck Surgery

Editorial Positions:

1993-1996	Editorial Review Board, Otolaryngology-Head & Neck Surgery
1993-Present	Reviewer, Laryngoscope
1994-1996	International Editorial Board, Otolaryngology-Head & Neck Surgery
1994-Present	Reviewer, Head and Neck
1996-2000	Editorial Board (Book Review Editor), Laryngoscope
1996-Present	Editorial Board, American Journal of Otolaryngology
1997-2000	Reviewer, Cancer
1998-Present	Reviewer, Otolaryngology-Head and Neck Surgery
1999	Reviewer, Archives of Otolaryngology-Head & Neck Surgery
2011	Reviewer, Annals Otology, Rhinology, Laryngology
2013-present	Editorial Board, BioMed Central
2013-2014	Reviewer, Cochrane Library
2014-present	Reviewer, ORL
2015	Reviewer, J Otorhinolaryngol
2016	Reviewer, Medical Science Monitor
2017-present	Associate Editor, Frontiers in Surgery, Otorhinolaryngology-Head and Neck Surgery section

2017 Reviewer, NIH Study Section, Center for Scientific Review Special Emphasis Panel Bioengineering, Technology and Surgical Sciences

Academic and Institutional Committees:

1982	University of Iowa International Health Task Force
1990-1991	University of Iowa Hospitals and Clinics Cost Containment Subcommittee
1993-1999	Cancer Committee, UTMB
1993-1999	Clinical Course Directors Committee, UTMB
1994-1996	Robert Wood Johnson General Physician Initiative Grant Committee, UTMB
1994-1999	Chair, GME/Fellowship Subcommittee, UTMB
1995-1999	Interactive Learning Track Clinical Committee, UTMB
1995-1996	Member, UT-MED Billing and Finance Subcommittee, UTMB
1995-1999	Curriculum Committee, UTMB
1995-1999	Personnel Committee, UTMB
1995-1999	Clinical Affairs Committee, UTMB
1995	Task Force for Speech Scientist, UTMB
1996-1997	UT-MED Billing Task Force, UTMB
1996-1999	Multidisciplinary Trauma Committee, UTMB (University of Texas Medical Branch)
1996	Committee on Unmet Necessities in the Curriculum, UTMB
1996	Task Force Faculty Search Committee, UTMB
1996	Task Force on Educational Materials for Medical Students, UTMB
1997	Emergency Room Task Force, UTMB
1999-2001	Medicare Compliance Committee, WVU
1999-2004	Continuing Medical Education Committee, WVU
1999-2009	Cancer Review Committee, WVU
1999-2000	Promotion and Tenure Committee, WVU
2000	Referring Physician Task Force, WVU
2000-2001	Pathology Chair Search Committee, WVU
2001-2002	Anatomic Pathology Director Search Committee, WVU
2001-2009	Executive Medicare Compliance Committee, WVU
2001-2005	Advisory Committee for Cancer Center, WVU
2008-2009	Ethics Committee, WVU
2008-2009	Resident Applicant Review Committee, WVU (West Virginia University)
2011-present	Member, Residency Application Committee Department of Otorhinolaryngology-Head and Neck Surgery
2011-present	Member, Head and Neck Fellowship Application Committee University of Pennsylvania
2011-present	Head and Neck Fellowship Interview Committee
2012-present	Member, Budget and Technology Committee, Department of Otorhinolaryngology-Head and Neck Surgery
2012-present	Leader, Departmental Risk Reduction Initiatives

2013-present	Co-Chair, Multidisciplinary Airway Group, Hospital University of Pennsylvania (became Airway Safety Committee in 2014)
2014	Interviewer, faculty candidate, Head and Neck/Lung Oncology
2015	Member of core faculty group-ACGME CLER (Clinical Learning Environment Review) site visit committee University of Pennsylvania School of Medicine
2015-present	Director of Risk Reduction and Director of Professional Practice, Department of Otorhinolaryngology-Head and Neck Surgery
2016	Interviewer, faculty candidate for Oral Surgery/Otolaryngology position
2017-present	NPP-Inpatient Unit Steering Committee
2018-Present	Academic Clinician Advisory Committee, University of Pennsylvania

Major Academic and Clinical Teaching Responsibilities:

1993-1999	Resident Teaching, UTMB Director, Weekly Tumor Board Conference, Otolaryngology Residents
1993-1999	Resident Teaching, UTMB, Director, Wednesday Morning Head and Neck Conference, Otolaryngology Residents
1993-1998	Resident Teaching, UTMB, Lecturer, Basic Introductory Course for Otolaryngology Residents
1993-1999	Medical Students, UTMB, Course Director and Faculty, Junior Medical Student Otolaryngology
1993-1994	Medical Students, UTMB, ICM Instructor Lecture and Practical
1993-1999	Medical Students, UTMB, ICEE Faculty
1993-1994	Fellows in Advanced Head and Neck Oncologic Surgery, John Kinsella
1994	Resident Teaching, UTMB, Course Director, Surgical Dissection of the Head and Neck
1994-1999	Resident Teaching, UTMB (University of Texas Medical Branch), Co-Director, Microvascular Laboratory
1994-1997	Medical Students, UTMB, Research Mentor for Senior Medical Students Donald Duncan Memorial Scholarship in Anatomy(Ed Buckingham)
1994-1996	Fellows in Advanced Head and Neck Oncologic Surgery, Hadi Seikaly
1996-1998	Fellows in Advanced Head and Neck Oncologic Surgery, Luke Tan
1997	Medical Students, UTMB, Interactive Learning Track Resource Faculty
1998-1999	Fellows in Advanced Head and Neck Oncologic Surgery, Mouwafak Al-Rawi
1999-2010	Resident Teaching, WVU, Lecturer, Departmental Morning Conference

1999-2010	Resident Teaching, WVU, Director, Tuesday noon Head and Neck Tumor Conference
2000	Resident Teaching, WVU, Lecturer, Hematology-Oncology Lecture Series
2000-2010	Resident Teaching, WVU, Afternoon Radiology and Oral Board Review
2000-2010	Medical Students, WVU, Seminar for 1st Year Medical Students-Introduction to ENT Examination
2005-2010	Medical Students, Shadowing experiences for 1st year medical students, WVU (West Virginia University)
2010-present	Grand Rounds, Otorhinolaryngology-Head and Neck Surgery
2011-present	Resident Educational Lectures
2011-present	OTO 200 lecture on Evaluation and Management of Neck Masses
2011-2017	Mentoring/Teaching Head and Neck Oncology Fellows, University of Pennsylvania: Tom Thomas (2011), Andy Cowan and Courtney Shires (2011-2012), Andrew Terrell and JK Rasamny (2012-2013), Raymond Chai and Mihir Patel (2013-2014), Kunal Jain and Alexandra Kejner (2014-2015), Ben Hodnett and Kyle Hatten (2015-2016), Punam Thakkar and Karthik Rajesekaren (2016-2017). Contact was direct and frequent and involved teaching in the OR, clinic and didactic and labs. It also involved supervision and collaboration in numerous research activities.
2011-present	Education of Rhinology Fellows, approximately once per week in conjunction with head and neck team collaborating on cranial base surgery
2011-present	Medical Student Teaching in OR and Clinic, OTO 300 students in OR, OTO 200 students in OR and some in clinic
2011-2012	Faculty, Rising Chiefs Boot Camp University of Pennsylvania
2011-present	Attending Otorhinolaryngology-Head and Neck Faculty Member. Currently, I see patients in clinic 6 times per month for about 27 hours per month. I also do approximately 120 total surgical cases as primary surgeon per year and I provide billable services to other faculty patients (about 120 per fiscal year) and I also assist the other head and neck surgeons with many other cases on a regular basis with salivary gland, head and neck and cranial base surgery. All of these include residents and fellows and there is a major teaching impact of these activities
2012-present	Mentoring Medical Students, University of Pennsylvania-(Roger Murayi, Jared Huber, Matthew Miller, Jennifer Douglas)
2012-2014	Penn International Rhinology and Skull Base Course, Philadelphia, PA Panelist in 2012, Lab Faculty in 2012-2014
2013-present	Laboratory Cadaver Dissections for Residents, Fellows and Medical Students
2013	Lecture on Organ Preservation Surgery to Radiation Oncology

2013-present	Supervising Resident Research Projects-(Steven Sperry, William (Walsh) Thomas, Tiffany Chao, Andres Bur, Robert Brody)
2013-present	Introduction to Clinical Medicine, teaching otolaryngology examination to medical students
2013	Faculty, Speaker and Panelist, Advanced Topics in Thyroid and Parathyroid Disease, Philadelphia, PA, May 3-4, 2013 ("Management of Lateral Neck Lymph Nodes in Thyroid Carcinoma")
2013-present	Education of Faculty, Fellows and Residents Sialendoscopy Training
2013	Faculty, Simfest for Residents in Otolaryngology
2013	Airway Simulation Exercise Faculty, Intensive Care Units, HUP
2014	Faculty, 1st International Transoral Robotic Surgery (TORS) Conference, Philadelphia, PA. July 24-25,2014 (Moderator: TORS, the challenging case; Cadaver Dissection Demonstration: The Advanced Case; Live Surgery Demonstration)
2015	"Transoral Robotic Surgery (TORS) Parapharyngeal and Paralingual Space Approach for Submandibular Gland Excision and Hilar Stone Removal". Presented at 2nd International Transoral Robotic Surgery (TORS) Conference, in Philadelphia, PA, July 23, 2015
2016-2017	Otolaryngology Simfest, Penn Medicine Clinical Simulation Center, Philadelphia, PA
2016	General Surgery PGY2 Boot Camp, Simulation Center, University of Pennsylvania
2016	Mock Airway Rapid Response Activation, Cardiac EP unit, HUP.
2016	Perioperative Inservice: Emergency Airway (for OR nursing staff)
2017	Team Simulation Training, Hospital University of Pennsylvania

Lectures by Invitation (Last 5 years):

Feb, 2014	The Neck Mass, When to Biopsy? Work-up and Treatment. Invited Panelist, Vanderbilt University 36th Sisson International Workshop, Vail, CO
Jul, 2014	"Trans-Oral Robotic Surgery Improves Survival Compared to Radiation and/or Chemotherapy for Oropharyngeal Squamous Cell Carcinoma", International Federation of Head and Neck Oncology Societies, New York, NY Weinstein GS, Zhang Z, Newman JG, Chalian AA, Rassekh CH, Lin A, Cohen RB, Cannady SB, O'Malley BW Jr.
Jul, 2014	"Primary Surgery as Compared to Primary Chemoradiation Significantly Improves Disease-Free Survival Independent of Human Papillomavirus Status in Oropharyngeal and Oral Tongue Squamous Cell Carcinoma", International Federation of Head and Neck Oncology Societies, New York, NY Zhang Z, Weinstein GS, Cohen RB, Rassekh CH, Newman JG, Lin A, Bauml J, Cannady SB, Chalian AA, O'Malley BW

- Jul, 2014 "Clinical Factors Associated with Disease Free Survival and All-Cause Mortality in a Large Contemporary Single Institution Cohort of Non-Skin Head and Neck Squamous Cell Carcinoma Patients Undergoing Definitive Therapy", International Federation of Head and Neck Oncology Societies, New York, NY
O'Malley BW Jr., Zhang Z, Chalian AA, Rassekh CH, Lin A, Cohen RB, Weinstein GS
- Jul, 2014 "Anterolateral Thigh Osteomyofasciocutaneous Free Flap- The Femur Bone Flap", International Federation of Head and Neck Oncology Societies, New York, NY
Brody RM, Pandey NC, Patel MR, Purkey MT, O'Malley BW, Rassekh CH, Weinstein GS, Chalian AA, Newman JG, Cannady SB
- Feb, 2015 Outcomes of Transoral Robotic Surgery for Parapharyngeal Space Salivary Gland Neoplasms. North American Skull Base Society, Tampa, FL
- Feb, 2015 "Transoral Robotic Resection of Parapharyngeal Space Pleomorphic Adenoma Reduces the Risk of First Bite Syndrome", North American Skull Base Society, Tampa, FL
- Feb, 2015 "Parotid and Parapharyngeal Space Lesions: Dispelling the Myths, Changing Trends in Management" Sisson International Workshop, Vail,CO
- Feb, 2015 "The Difficult Case, Part 1", Sisson International Workshop, Vail,CO
- Apr, 2015 "Transoral Robotic Surgery (TORS) Parapharyngeal Approach for Submandibular Gland Excision in a Cadaver Model" American Head and Neck Society Translational Research Meeting, Boston,MA
- Jun, 2015 "Transoral Robotic Surgery (TORS)-assisted Submandibular Gland Surgery" 3rd Congress of European ORL-HNS, Prague, Czech Republic
- Jun, 2015 "Hybrid Approaches for Salivary Gland Problems" PA Academy of Otolaryngology, Hershey, PA
- Sep, 2015 "Live Sialendoscopy Surgery" 24th and 25th International Sialendoscopy Hands-On Advanced Course, Geneva,Switzerland
- Sep, 2015 "Sialendoscopy Case Presentations" Consortium for Advanced Sialendoscopy Education, Dallas, Texas
- Sep, 2015 "TORS lingual tonsillectomy for Sleep Apnea" American Academy of Otolaryngology-Head and Neck Surgery, Dallas,TX
- Feb, 2016 "Transcranial Suprasellar Approach", North American Skull Base Society Pre-meeting Dissection Workshop, Scottsdale, AZ
- Feb, 2016 "Evaluation and Management of Cystic Neck Masses", 38th Annual Vanderbilt University Otolaryngology Symposium (George A. Sisson International Head and Neck Workshop), Vail, CO
- Apr, 2016 "Parotid Sialolithiasis: Evidence and Management" LSU Sialendoscopy Course, New Orleans, LA
- Apr, 2016 "Robotics and Salivary Gland Disease" at LSU Sialendoscopy Course, New Orleans, LA

- Jul, 2016 Transoral Robotic Surgery for Submandibular Gland Diseases, at American Head and Neck Society/International Conference on Head and Neck Cancer, Seattle, WA
- Jul, 2016 "New Techniques in Transoral Robotic Surgery: The Role of TORS for Management of Sialoliths and the Submandibular Gland", at the 3rd International TransOral Robotic Surgery (TORS) Conference, San Francisco, CA
- Jan, 2017 "Epidemic of HPV related Oropharyngeal Cancers: Diagnosis and Management" and "Sialendoscopy and its role in Salivary Gland Diseases" at Taylor Hospital in Philadelphia region
- Feb, 2017 "HPV-Related Unknown Primary Carcinoma" and "Sialendoscopy and its role in salivary gland diseases" Outreach lecture to Mercy Fitzgerald Hospital, Philadelphia, PA
- Feb, 2017 "Tumor Board: Case Presentations and Review of Recent Literature Driving Treatment Trends" At the 39th Annual Vanderbilt Otolaryngology Symposium. Vail, CO
- Feb, 2017 "Dilemmas in Treatment of HPV+ Oropharyngeal Cancer-The Epidemic Continues" At the 39th Annual Vanderbilt Otolaryngology Symposium, Vail, CO
- Mar, 2017 "Expert Debate: Complex Head and Neck Malignancies: Controversies in Management" at North American Skull Base Society Annual Meeting, New Orleans, LA
- Apr, 2017 "Salivary Anatomy" at the Inaugural Jefferson University Sialendoscopy Course, Philadelphia, PA
- May, 2017 Development of 4th International Congress on Salivary Gland Diseases;
Advanced Sialendoscopy and Minimally Invasive Surgery organized by Icahn Mount Sinai School of Medicine, New York, NY
- Jun, 2017 "Detecting Pathological Level IV lymph node metastases in Oropharyngeal Carcinoma-A New Approach"
International Federation of Otolaryngological Societies, Paris
- Oct, 2017 "Interest of Robotic Surgery in Chronic Sialadenitis", European Salivary Gland Society Instructional Course at European Otorhinolaryngology-Head and Neck Surgery congress. Barcelona, Spain
- Oct, 2017 "Interest of Robotic Surgery for Submandibular Benign Pathologies"
European Salivary Gland Society meeting at European Otorhinolaryngology-Head and Neck Society Meeting, Barcelona, Spain
- Feb, 2018 "Pathological Findings in Retropharyngeal Nodes Removed During Transoral Robotic Surgery for Oropharyngeal Carcinoma"
North American Skull Base Society Meeting, Coronado, CA

Feb, 2018	Panelist: Expert Debate 5: "Head and Neck Malignancies with Skull Base Involvement: Controversies in Management" North American Skull Base Society, Coronado, CA
Feb, 2018	Panelist, Controversies in Salivary Gland Disease, Vanderbilt Otolaryngology Symposium, Vail, Colorado
Feb, 2018	Panelist, Congenital Lesions that show up in Adults-Lymphatic, Congenital, Cysts, Sinuses and Celes", Vanderbilt Otolaryngology Symposium
Apr, 2018	"Perioperative Briefing Communication and Treatment Planning: Implementation and Early Results" Rassekh CH, Atkins JH, O'Malley BW, Chalian AA, Paul E, Weinstein GS (American Head and Neck Society Annual meeting, National Harbor, Maryland,
May, 2018	Laboratory Faculty Introduction on Combined Approaches for Submandibular gland
May, 2019	2nd Advanced Sialendoscopy Course, Mount Sinai, New York Debate on Sinonasal Undifferentiated Carcinoma, panelist Skull base section, American Head and Neck Society, Austin, Texas,

Organizing Roles in Scientific Meetings:

Jul, 1996	Moderator, Free Paper Session "Outcomes - Cost Analysis," Fourth International Conference on Head and Neck Cancer Toronto, Canada
Jul, 1996	Moderator, Lunch with the Professor "Esthesioneuroblastoma," Fourth International Conference on Head and Neck Cancer Toronto, Canada
Jul, 2000	Moderator, "Cost-Effective Care", 5th International Conference on Head & Neck Cancer San Francisco, CA
Jul, 2012	Faculty, Moderator, Reconstruction free paper session, 8th International Conference on Head and Neck Cancer Toronto, ON, Canada
Feb, 2013	Moderator, North American Skull Base Society, Free Paper Session-Head and Neck and General Session Miami, FL
Sep, 2013	Moderator, Oral Presentations, American Academy of Otolaryngology-Head and Neck Surgery -Laryngology/Broncho-esophagology Session Vancouver, BC
Oct, 2013	Program Advisory Committee, American Academy of Otolaryngology-Head and Neck Surgery Vancouver, BC

- Oct, 2013 Moderator, Oral Presentations, American Academy of Otolaryngology-Head and Neck Surgery-Head and Neck Surgery Session
Vancouver, BC
- Oct, 2013 Poster Judge, American Academy of Otolaryngology-Head and Neck Surgery
Vancouver, BC
- Feb, 2014 Panel Moderator, Reduction of Complications in Endoscopic Cranial Base Surgery (Pre-op planning, Intra-op, Post-Op)
North American Skull Base Society
San Diego, CA
- Feb, 2014 Program Committee, North American Skull Base Society
Tampa, FL
- Feb, 2014 Panel Moderator, Nuances of Nasopharyngectomy
North American Skull Base Society
San Diego, CA
- Jul, 2014 AHNS Chair/Moderator, Oral Papers (Imaging IV)
International Federation of Head and Neck Oncological Societies/American Head and Neck Society
New York, NY
- Sep, 2014 Program Advisory Committee, American Academy of Otolaryngology-Head and Neck Surgery,
Orlando, FL
- Sep, 2014 Co-Chair, Poster Judging, American Academy of Otolaryngology-Head and Neck Surgery
Orlando, FL
- Feb, 2015 Panel Moderator, Diagnosis and Management of Intracranial Hypertension
North American Skull Base Society Annual Meeting
Tampa, FL
- Feb, 2015 Poster Chair, North American Skull Base Society
Tampa, FL
- 2015 Co-Organizer/Moderator, Head and Neck Tumor Board
University of Pennsylvania Dept. of Otorhinolaryngology
- Feb, 2016 Moderator, Proffered Papers 13, North American Skull Base Society
Scottsdale, AZ
- Feb, 2016 Prosection Leader and Workshop Faculty, North American Skull Base Surgery Pre Meeting Practical Course
Scottsdale, AZ
- Jul, 2016 Poster Tour Leader, Salivary Gland Section. American Head and Neck Society/International Conference on Head and Neck Cancer,
Seattle, WA
- Jun, 2017 Moderator, Roundtable on Obstructive Salivary Gland Diseases
International Federation of Oto-rhino-laryngological Societies meeting
Paris, France

Jun, 2017	Chairman, Keynote lecture on Oropharyngeal Carcinoma, International Federation of Oto-rhino-laryngological Societies meeting Paris, France
Oct, 2017	Moderator, Session on Workup of Salivary Gland Masses, European Salivary Gland Society Barcelona, Spain
Feb, 2019	Chair, Education committee, North American Skull Base Society Orlando, Florida
Apr, 2019	Co-Chair, Salivary Section program committee, American Head and Neck Society Austin, Texas
Jul, 2020	Program Committee, 10th International Conference on Head and Neck Cancer Chicago, Ill
